# FOUNDER'S MESSAGE

KIIT University is one of the most sought after Universities in the world, a university with human touch.

You will be one essential and integral part of Kalinga Institute of Industrial Technology because the university believes in the being the most student friendly campus. This university supports and contributes to a human face that is the largest tribal education institution in the world- Kalinga Institute of Social Sciences, a protege. KISS is a home for 80,000 indigenous children (30,000 in KISS Bhubaneswar, 40,000 Alumni and 10,000 in satellite centers of KISS in 10 districts of Odisha) who are provided with quality education, free boarding, health care facilities, vocational training and life skills empowerment, all absolutely free.

**Achyuta Samanta**  
Founder KIIT & KISS

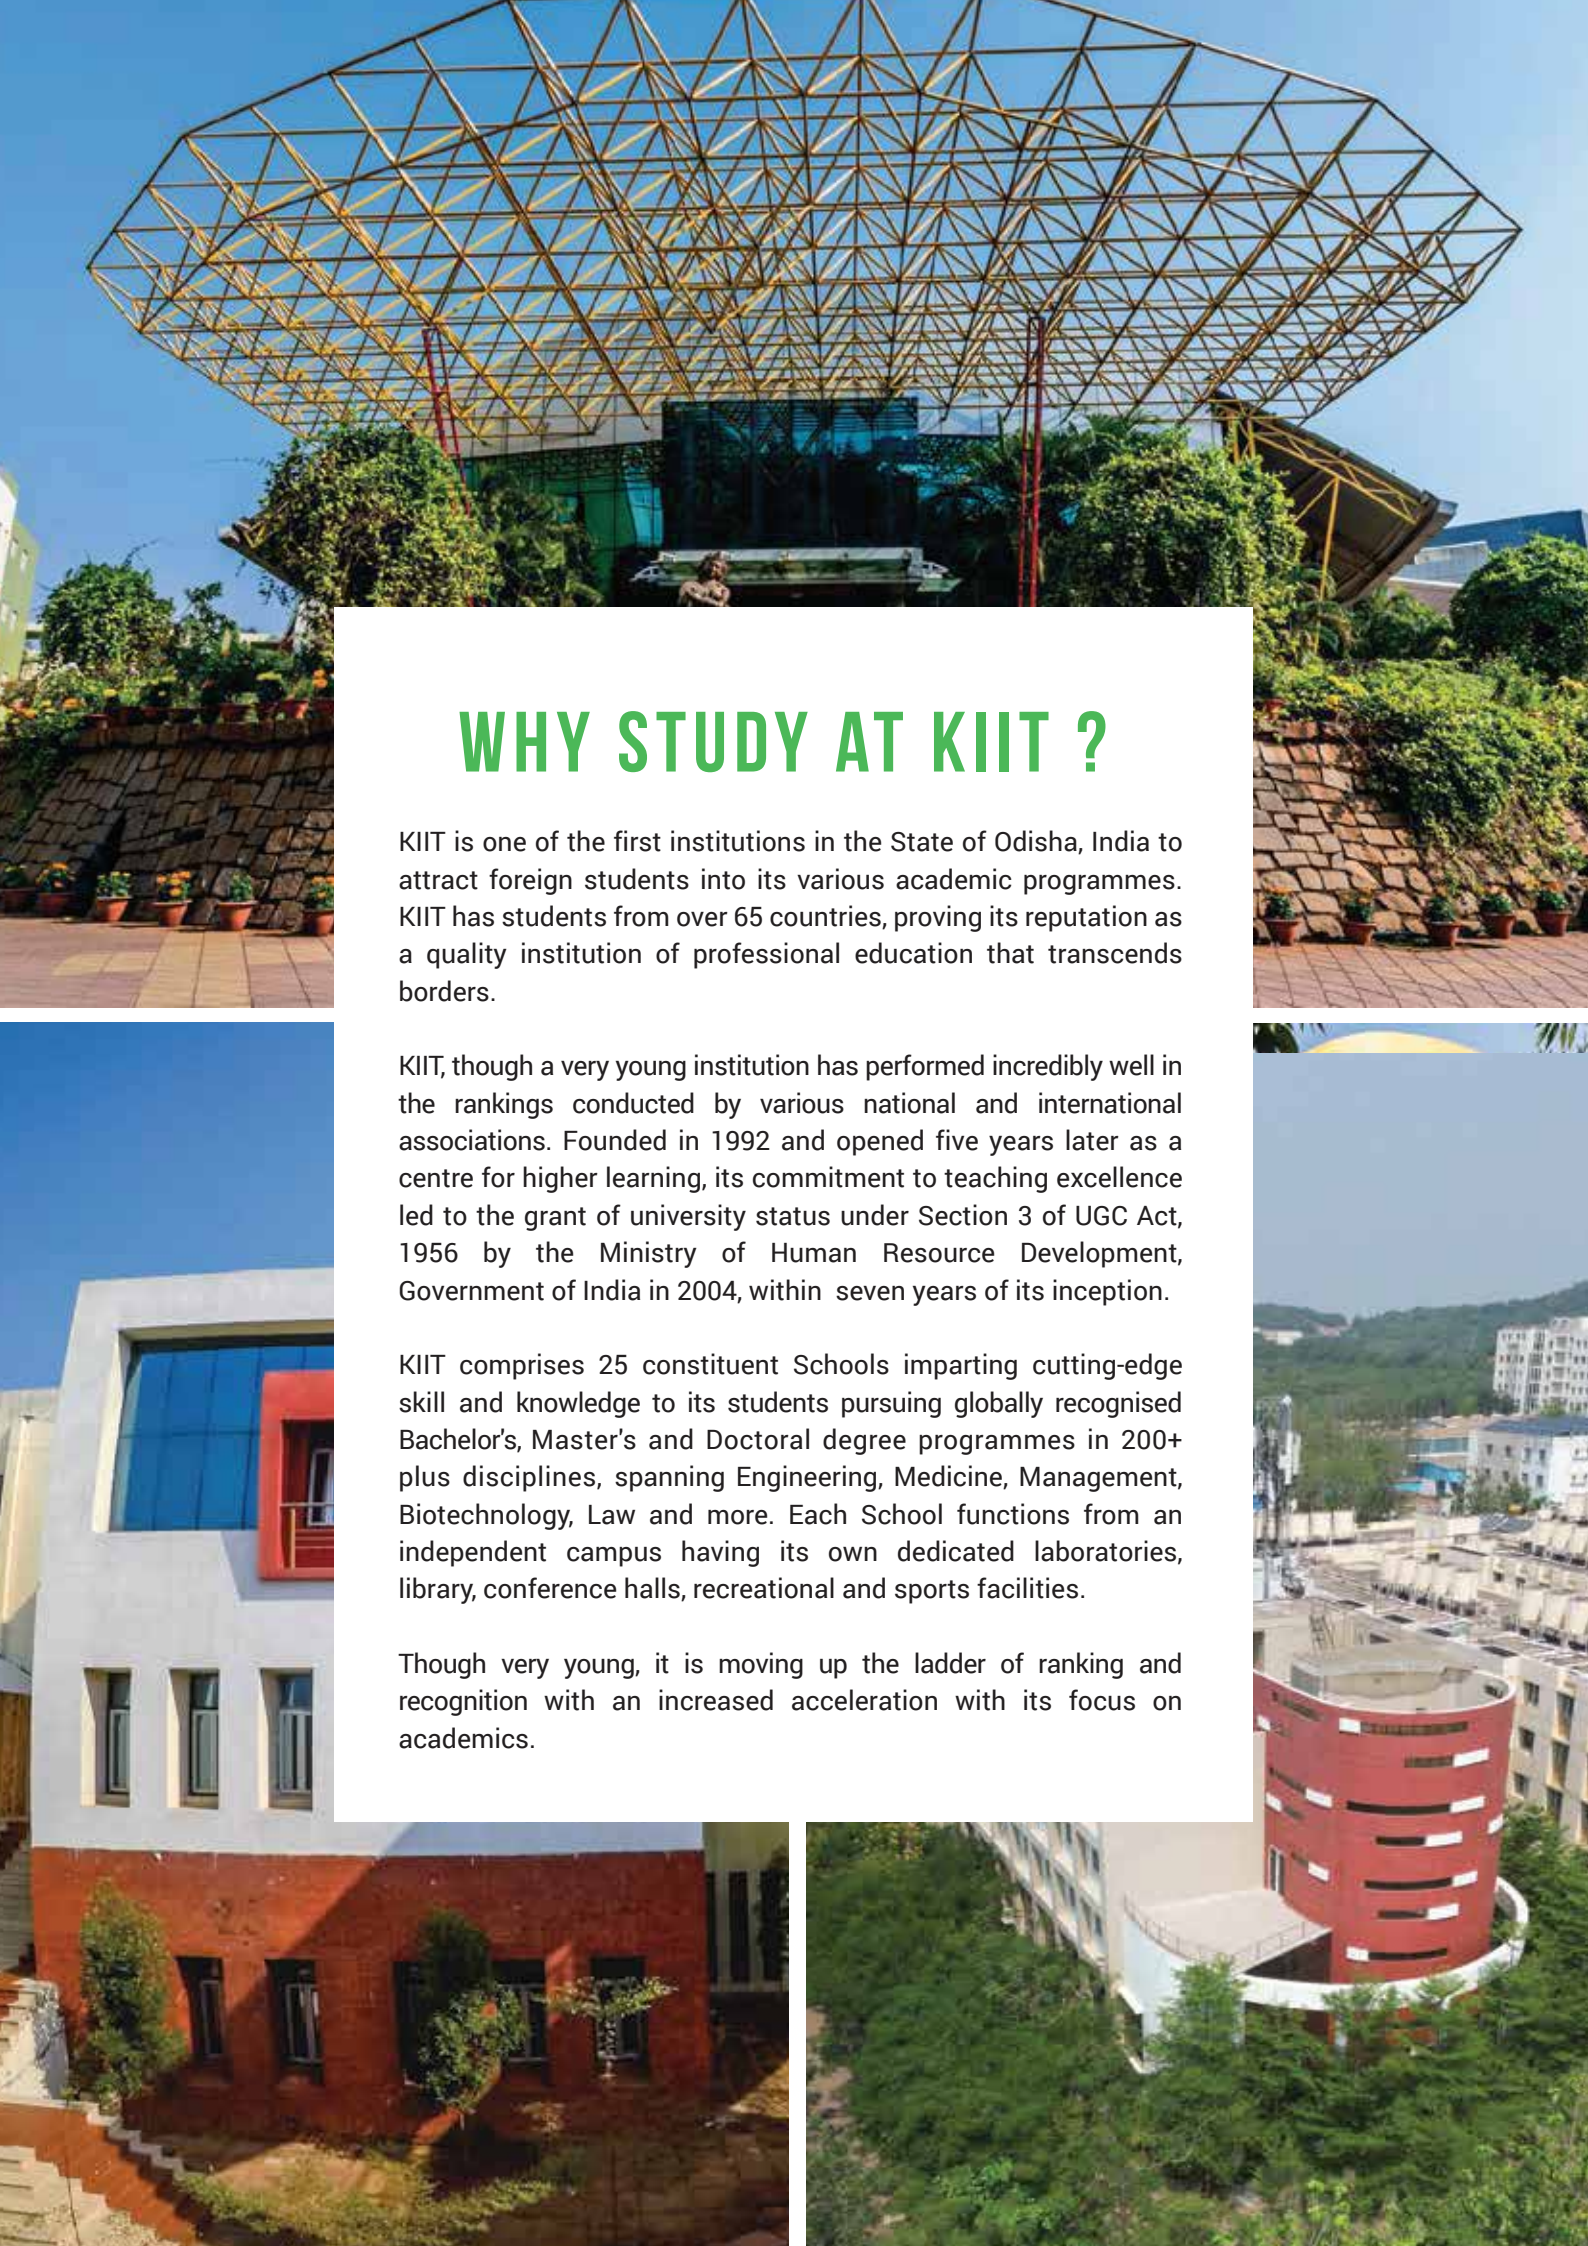

This is the highest integration of elite and deprived in a seamless manner which fosters holistic development of all. KIIT provides comprehensive education that instills within its students a philosophy that values not only learning and professionalism, but also contribution and commitment to the advancement of community. KIIT University has grown to be one of the most prominent universities in India and globe for professional Education with 40,000 students from all over India and 65 countries across the globe. It's truly international character supporting cross cultural exchanges and values makes one feels at home. It's a melting pot of cultures, legacies and traditions from many countries across the globe. The customised education with hands on learning experience makes the students equip with knowledge and skills required to work in a global economy and place students as global citizens. It's infrastructure is world class and next to none.

The University has got many international and national accolades standing tall in the International rankings. More than 22 Nobel laureates and 100 ambassadors besides dignitaries, luminaries, academicians, policymakers have visited and hailed the best practices at KIIT. The University has a strong relation with over 130 countries of the world and makes Odisha feature in the global map of academics and innovation which was once in the oblivion. KIIT has made its name and carved a niche for itself in a small span of 25 years in the field of sports and extra curricular activities.

Housed in Bhubaneswar, Odisha, KIIT is perfectly located in the most vibrant part of the city. It will not be wrong to say that KIIT has made that part of city thriving. The city is well connected by air, rail and road and has a smart system of public transport. It's amalgamation of tradition and modernity makes it one of the most comfortable and welcoming places to be at and study. The boarding facilities and the campus life at KIIT adds to the perfection.

KIIT is not about classroom teaching and learning alone, it is about creating lifelong relation with the institution, friends, learning and life.

## WHY STUDY AT KIIT ?

KIIT is one of the first institutions in the State of Odisha, India to attract foreign students into its various academic programmes. KIIT has students from over 65 countries, proving its reputation as a quality institution of professional education that transcends borders.

KIIT, though a very young institution has performed incredibly well in the rankings conducted by various national and international associations. Founded in 1992 and opened five years later as a centre for higher learning, its commitment to teaching excellence led to the grant of university status under Section 3 of UGC Act, 1956 by the Ministry of Human Resource Development, Government of India in 2004, within seven years of its inception.

KIIT comprises 25 constituent Schools imparting cutting-edge skill and knowledge to its students pursuing globally recognised Bachelor's, Master's and Doctoral degree programmes in 200+ plus disciplines, spanning Engineering, Medicine, Management, Biotechnology, Law and more. Each School functions from an independent campus having its own dedicated laboratories, library, conference halls, recreational and sports facilities.

Though very young, it is moving up the ladder of ranking and recognition with an increased acceleration with its focus on academics.

# ABOUT KIIT

## KIIT Overview

Kalinga Institute of Industrial Technology (KIIT), a household name in the education sector has become a sought-after destination in India for professional studies. It is admired all over for the quality of its academic courses, its community outreach work and as a university of compassion and humanitarianism. It has become a case study because no other educational institution in India has grown in its scope and scale as much as KIIT has in a short span of 25 years. Its incredible transformation is truly a journey from Soil to Silver.

Today, KIIT offers professional education to around 40,000 students from across India. This includes 2000 international students from 65 countries. The alumni of KIIT, over a lakh of them, have made their mark in their respective careers in academics, corporate organisations, civil services and enterprise.

One would find it difficult to imagine that such a celebrated institution with a global reputation was established by an unassuming humble being, Dr Achyuta Samanta, the Founder of KIIT and KISS, who started the institute with all of Rs 5000 as the initial investment.

He had big dreams and a passion to make a difference. Dr Samanta started KIIT in two rented rooms with 12 students and 2 staff. The modest institution has now grown to incomprehensible propositions and is spread over a vast 25-square-kilometre academic township. It has been accredited by and affiliated to prestigious national and international bodies.

# CULTURAL DIVERSITY AT KIIT

KIIT boasts of a vibrant and diverse community. With students coming from all states of India and over 65 countries, the campus is a melting pot of cultures, traditions, and values.

At KIIT, every country and state has its unique flavor, and every student is encouraged to celebrate their diversity. The campus sees a plethora of cultural events and festivals throughout the year, with students showcasing their culture through music, dance, food, and art.

The institution prides itself on promoting a culture of inclusivity and respect for diversity. Students are encouraged to learn from each other's experiences, and their cultural differences are celebrated. The campus is a safe and welcoming space where students from different backgrounds come together to learn, grow, and prosper.

KIIT stands united in its mission to provide world-class education to students from all over the world while respecting their cultural heritage. The institution continues to strive towards creating a harmonious environment where diversity is celebrated, and every student feels valued and respected.

## Schools & Courses

### SCHOOL OF CIVIL ENGINEERING

Bachelor of Technology (B.Tech) in Civil Engineering	4 Years
Master of Technology (M. Tech) in Civil Engineering (Construction Engineering & Management)	2 Years
Master of Technology in Civil Engineering (Structural Engineering)	2 Years
Dual Degree (B.Tech & M.Tech)	5 Years
Dual Degree (B.Tech & MBA)	6 Years
Ph. D & PDF	

### SCHOOL OF MECHANICAL ENGINEERING

Bachelor of Technology (B.Tech) in Mechanical Engineering	4 Years
B.Tech in Mechanical Engg. (Automobile)	4 Years
B.Tech in Aerospace Engineering	4 Years
B.Tech in Mechatronics Engineering	4 Years
B.Tech in Production Engineering	4 Years
Master of Technology (M. Tech) in Mechanical Engineering (Manufacturing Process & System)	2 Years
Master of Technology (M. Tech) in Mechanical Engineering (Thermal Engineering)	2 Years
Master of Technology (M. Tech) in Mechanical Engineering (Machine Design)	2 Years
Dual Degree (B.Tech & M.Tech)	5 Years
Dual Degree (B.Tech & MBA)	6 Years
Ph. D & PDF	

### SCHOOL OF ELECTRONICS ENGINEERING

#### Bachelor of Technology (B. Tech)

Electronics and Telecommunication Engg	4 Years
Electronics and Electrical Engg.	4 Years
Electronics and Instrumentation Engg.	4 Years
Electronics & Computer Science Engg.	4 Years
Electronics & Control System Engg	4 Years
Communication Engg.	4 Years
Medical Electronics Engg.	

#### Master of Technology (M. Tech)

Electronics and Telecommunications Engineering (Spl-Communication Engineering)	2 Years
Electronics & Telecommunications Engineering (Spl -VLSI Design & Embedded System)	2 Years
Electronics & Telecommunications Engineering (RF & Microwave)	2 Years
Dual Degree (B.Tech & M.Tech)	5 Years
Dual Degree (B.Tech & MBA)	6 Years
Ph. D & PDF	

### SCHOOL OF ELECTRICAL ENGINEERING

Bachelor of Technology (B. Tech) in Electrical Engineering	4 Years
<b>Master of Technology (M. Tech)</b>	
Electrical Engineering (Power Electronics & Drives)	2 Years
Electrical Engineering (Power Energy System)	2 Years
Electrical Engineering (Power System Engineering)	2 Years
Dual Degree (B.Tech & M.Tech)	5 Years
Dual Degree (B.Tech & MBA)	6 Years
Ph. D & PDF	

### SCHOOL OF COMPUTER ENGINEERING

#### Bachelor of Technology (B. Tech)

Computer Science Engineering	4 Years
Computer Science & Communication Engg.	4 Years
Computer Science & Systems Engineering	4 Years
Information Technology	4 Years
M. Tech in Computer Science & Engineering (SPL: Computer Engineering)	2 Years
M. Tech in Computer Science & Information Security (SPL:Information Securities)	2 Years
M. Tech in Computer Science & Engineering (SPL: Data Analytics)	2 Years
M. Tech in Computer Science & Engineering (SPL: Software Engineering)	2 Years
Dual Degree (B.Tech & M.Tech)	5 Years
Dual Degree (B.Tech & MBA)	6 Years
Ph. D & PDF	

## SCHOOL OF COMPUTER APPLICATION

M.C.A .	3 Years
MCA (Lateral Entry)	2 Years
B.C.A.	3 Years

## SCHOOL OF ARCHITECTURE & PLANNING

Bachelor of Architecture (B. Arch)	5 Years
------------------------------------	---------

## KALINGA INSTITUTE OF MEDICAL SCIENCES (KIMS)

M.B.B.S	4.5 Years
PG Medical (M.D.)	3 Years
Master of Hospital Administration	2 Years

## KALINGA INSTITUTE OF DENTAL SCIENCES (KIDS)

B.D.S.	5 Years
Master of Dental Surgery (MDS)	3 Years

## KALINGA INSTITUTE OF NURSING SCIENCES

Basic B.Sc. in Nursing	4 Years
M.Sc. in Nursing	2 Years
General Nursing & Midwifery ( GNM )	3 Years

## SCHOOL OF BIOTECHNOLOGY

M.Sc. Biotechnology	2 Years
M.Sc. Applied Microbiology	2 Years
Biotechnology-Dual Degree	5 Years
Ph. D & PDF	

## SCHOOL OF CHEMICAL TECHNOLOGY

	4 Years
B. Tech in Chemical Technology	5 Years
Dual Degree (B.Tech & M.Tech)	
Ph. D in Process Engineering & Materials Technology	

## SCHOOL OF FILM AND MEDIA SCIENCES

Bachelor in Film & Television production (BFTP)	3 Years
Master of Mass Communication (Integrated)	5 Years

## SCHOOL OF MANAGEMENT

Bachelor of Business Administration (BBA)	3 Years
Master of Business Administration (MBA)	2 Years
Ph. D & PDF	

## SCHOOL OF RURAL MANAGEMENT

MBA in Rural Management	2 Years
MBA In Agribusiness Management	2 Years
Ph.D.	

## SCHOOL OF FASHION TECHNOLOGY

Bachelor of Fashion Design	4 Years
----------------------------	---------

## SCHOOL OF LAW

B.A.LL.B.	5 Years
B.Sc.LL.B.	5 Years
BBA.LL.B.	5 Years
LL.M	1 Year
Ph. D & PDF	

## SCHOOL OF HUMANITIES

B.A. Economics/Sociology/English (Hons)	3 Years
Bachelor of Commerce (B.Com)	3 Years
M.A. Economics/Sociology/English (Hons)	3 Years
Master in commerce (M.Com)	2 Years

## SCHOOL OF LANGUAGES

B. A. English (Honours)	2 Years
M. A. English	2 Years
M.Sc (by Research - Scientific	
Ph.D & PDF	

## SCHOOL OF YOGA

M.A in Yoga Therapy	2 Years
---------------------	---------

## SCHOOL OF PUBLIC HEALTH

Master of Public Health (MPH)	2 Years
Master of Hospital Administration (MHA)	2 Years
Ph. D & PDF	

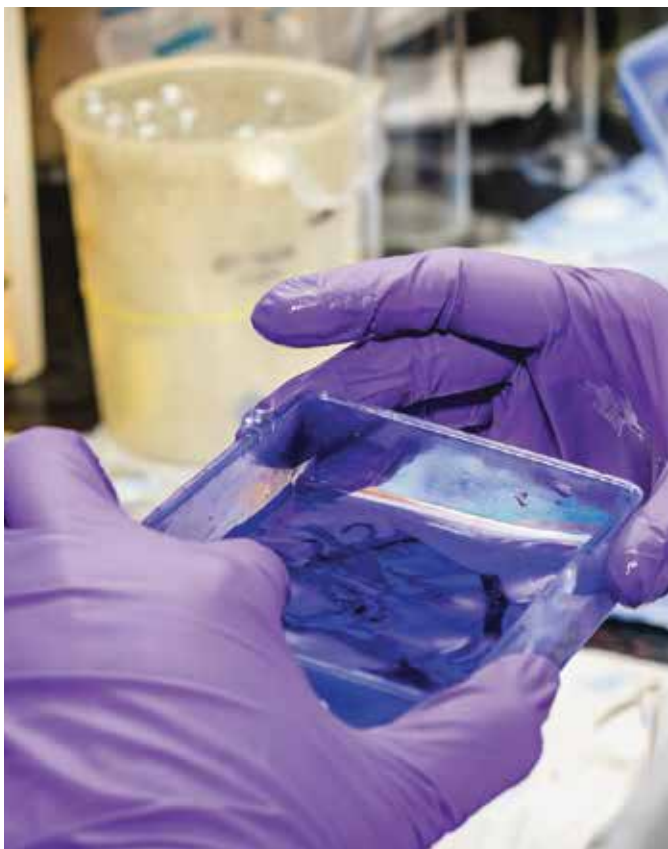

# RESEARCH AND INNOVATION

Research and innovation are important hallmarks of a world-class university. KIIT has established 19 Centers of Excellence with industry to promote collaborative research. KIIT Faculty are actively involved in research and consultancy works attracting financial support to the tune of a few million dollars every year. Currently nearly 100 research and consultancy projects funded by various national and international funding agencies like UBS Promedica Foundation, Switzerland; Karolinska Institute, Sweden; DST, DBT, MNRE, Govt. of India, Board of Research in Nuclear Sciences, etc. are ongoing with substantial budget outlay.

Faculty members and research scholars of the University actively publish research papers in various national and international journals of repute. Over 14,700 research papers have been indexed in international databases like Scopus and Web of Science. The research papers have received a high citation, pushing up the 'h' index to 83. The University has 331 filed patents; 87 patents have been published and 198 have been granted so far.

To promote innovation and startup entrepreneurship among students as well as in wider society, KIIT opened KIIT Technology Business Incubator (KIIT-TBI) in 2008. One of its kind initiative in Odisha and among only 60- odd in the country, KIIT-TBI is supported by the Department of Science & Technology (DST), National Science & Technology Entrepreneurship Development Board (NSTEDB), and scores of other agencies. It was recognised as a Centre of Excellence in 2018. KIIT-TBI is presently supporting 235+ budding technology driven entrepreneurs, including 60+ women start-ups. As many as 65 start-ups have received national and international awards, while more than 50 have received follow on funding.

KIIT is among only seven institutions in India selected by Boeing India for its Boeing University Innovation Leadership Development (BUILD) programme to

## Centres of Excellence

KIIT has established 18 Centres of Excellence with industry to promote collaborative research.

- SAP Centre of Excellence
- IBM Centre of Excellence
- Siemens Lab
- Innovation and Entrepreneurship Cell
- Centre for Industry Institutional Interface
- American Study Centre
- MSME Centre for Entrepreneurship development
- Interdisciplinary Centre of Energy with special reference to Renewable Energy
- Interdisciplinary research Centre in Materials and Nano Sciences
- Centre for Translational Research
- Centre for Industrial Technology IPR and Patent Cell
- ISRO KIIT Satellite Centre
- NI Centre of Excellence
- IOT Centre of Excellence
- Tech Mahindra Design Lab
- Intel Design Lab
- IOT Centre of Excellence

# TUTOR- MENTOR SYSTEM

Faculty advisors or Tutor Mentors help, advise and guide the students with respect to academics and related issues. It helps the students to solve their academic and personal problems and respond to all correspondence concerning them. The major task undertaken by the tutor-mentor is to make sure that the new entrants feel comfortable in the new ambience. While the faculty advisors/tutor mentors monitor the student activities and identify the students who need a special counselling, counsellors provide those students who all are academically deficient or emotionally distressed for academic or non-academic reasons. Services of professional psychiatrists are also available as required.

## Student Counselling and Grievance redressal forum

The Counselling Section provides professional counselling and psychological boosting which include evaluation and therapy for a wide variety of personal situations. These range from adjusting to new environment, significant depression, anxiety, anger trauma, Interpersonal problems and other difficulties. Counselling service is rendered by a staff counsellor and a professional psychiatrist.

All the academic activities of the international students are planned by the Dean Academics - International Students. The primary responsibility of the Dean Academics is to collaborate with the heads of different Schools and address all academic grievances of the foreign students. The Dean Academics actively supports the International Relations Office (IRO) with academic inputs. The selection and counselling of the students going abroad for exchange programme/ semester abroad programme are also facilitated by the Dean. He/She is assisted by the Academic Coordinator (Foreign Students) along with the Faculty-in-charge (International Students) from every School and follow the objective of keeping a close connect with all foreign students studying in KIIT to indirectly facilitate and promote the Institute's strategic international agenda.

# SPORTS & FACILITIES

At KIIT and KISS, Educational Excellence and sporting brilliance go hand in hand. Holistic development is the cornerstone of KIIT and KISS. Besides academics, effort is made to scout talent among the students, provide all necessary support and bring out the best in each one of them.

KIIT and KISS are proud to have rich sporting culture. They have created world class sports infrastructure and engaged international coaches in several disciplines to hone talents. Students have been bringing glory for the state and country for the last 15 years.

At present, KIIT and KISS have about 5000 active sportspersons. Over 100 students have represented in Olympics, ASIAD, South Asian Federation Games and various National and International meets. Both the Educational Institutions have produced over 2000 state level sports person and 2000 sportspersons who have participated and won in University and School games. More than 900 students are trained in 26 disciplines.

KIIT and KISS, in it's journey, are determined to build upon this beginning and hope to bring more glory for the country and the state in the years to come.

## Facilities

KIIT is well-known for its world-class infrastructure. Not only does each stream of education have a self-contained independent campus, but KIIT also has placed ultra-modern facilities, like Wi-Fi multimedia, air conditioned classrooms, virtual classrooms, video conferencing, state-of-the-art laboratories, close circuit cameras, gym & health club, seminar halls, auditoriums and open air theatres, etc., for students' all round growth.

### Conferences & Seminars:

KIIT provides excellent ambience for national and international level conferences and seminars. Its Central Convention Centre Complex houses a world-class Auditorium having a seating capacity of 1600, besides a Guest House with 5-star facilities (42 suites), Conference Halls (18), Exhibition Ground (5 acre) and Banquet Hall. It is the largest of its type in the state of Odisha and one of the best in Eastern India. In addition, there are well-equipped auditoriums and conference halls in each campus. There are 20 Open Air Theatres (OATs) in different campuses with capacities ranging from 500 to 50,000.

### Central Indoor Stadium:

Biju Patnaik Indoor Stadium is a hub for indoor sports activities.

### Food Court:

In addition to canteens attached to each hostel, there are 15 Food Courts specializing in cuisines from different parts of the world.

### Other Amenities:

Buses and shuttle cars are available to meet the transportation need of the students and staffs. An in-house computerised post office is functioning from the Campus. Other facilities like banks, police station, computerised railway ticket counter and ATMs of various banks are available in and around the campus.

# LIFE AT KIIT

Life at KIIT is more than just lectures and study sessions. Students get a plenty of opportunities to take a well-earned break from books. Our packed calendar of events and activities means a new friend is never far away.

At KIIT, students have a meaningful learning experience while enjoying all that university life has to offer. University is important, but it should also be a time to make friends and have great experiences outside the classroom. That's why along with libraries, lecture theaters and Wi-Fi hotspots – all of our campuses offer places to socialise, get a coffee and hang out during leisure. Soaking up the university atmosphere, meeting friends and reflecting on your classes are valuable take-aways of the student experience.

It's our priority to ensure that all students make a smooth transition to university and don't feel alone. KIIT's orientation programme includes workshops, social events, study groups and opportunities to get you involved in campus life. Participating in these activities ensure you make a successful start to studying at KIIT.

# KISS : THE HUMANE FACE OF KIIT

# KALINGA INSTITUTE OF SOCIAL SCIENCES (KISS)

KISS is the largest Residential Tribal institution in the world, providing free Education from Kindergarten to Post Graduation, a home for 80000 tribal children (30000 students in KISS Bhubaneswar, 40000 Alumni, 10000 in 10 satellite centres in 10 districts of Odisha). It is the recipient of UNESCO International Literacy Prize 2022. Its higher education wing, KISS Deemed to be University is the first and only university in India exclusively for tribals.

## Uniqueness

1. World's Largest Indigenous Residential Educational Institution
2. First and only University exclusively for Indigenous Scholars
3. Sustainable Institution based on Unique Financial Model
4. Recipient of UNESCO International Literacy Prize 2022
5. Global Recognition and Collaboration with various UN organs, agencies and international NGOs
6. Chronicled in the Limca Book of Records & Guinness Book of Records on 4 counts each
7. Catering to 62 Tribal Groups and 13 PVTGs
8. Focus on Sports and Vocational Empowerment
9. Adopted over 200 orphans during Covid- 19 and providing them subsistence, education and job
10. Preserving the Tribal Way of Life

# ROLE OF INTERNATIONAL RELATIONS OFFICE

**IRO** has a dedicated team committed to the needs of international students. The team serves as the first point of contact for international students to make their arrival and stay comfortable, particularly with assistance in student visa, FRRO Registration and other requisite documentation. By advising personally and/or referring to specialist services, the IRO strives to contribute to the success of the international students at KIIT and elsewhere.

The goal of this Office is to enhance internationalisation at KIIT. It is the central contact point for international students and researchers – before, during and after their study at KIIT. It supports domestic students and researchers from KIIT with all questions concerning international mobility. It coordinates MOUs and international collaborations and develops programmes with partner universities for strengthening in higher education, innovation and

## Strategy:

- Planning and developing international marketing strategies

## Mobility:

- Advising and counselling aspiring international students and guest researchers who plan to conduct their studies or research in KIIT
- Guiding domestic students who would like to take up a part of their studies abroad
- Planning and executing semester abroad programme, faculty exchange programme, summer schools, short-term mobility programme, international volunteering programme, international seminars and workshops
- Planning and execution of international guest visits

## Partnerships:

- Supporting and fostering international academic partnerships
- Maintaining partnerships with Embassies, Ministries of higher education, governmental and non-governmental organisations

## Support services:

- First point of contact and offers welcome and orientation support to all international students.
- Services range from academic (in coordination with Dean Academics and Faculty In-Charge) to non-academic issues such as immigration support, local registration, visa extension, opening a bank account, authentication of certificates, etc.

# ADMISSIONS & SCHOLARSHIPS

International students enrolled in KIIT University can be categorized in one of these categories:

**Self-Financed Students** – Students or Legal Guardian pay the fees for the student.

**Govt. Sponsored Students** – Students are sponsored either by Indian government scholarships or Scholarships given by their home country.

**Sponsored Students** – Students are sponsored by private entities or non-profit organizations. The scholarship providing bodies seek admission for the candidates as per their applications.

However, the admission decision rests with the Institute/University as per the eligibility criteria. Students sponsored by following Scholarships:

## Government Scholarship: EdCIL:

### Compex Nepal Scholarship -

COMPLEX is a scholarship scheme by Embassy of India in Nepal that provides admission with 100% scholarships to top Indian Universities in following undergraduate courses:

Engineering (BE)  
Pharmacy (B. Pharmacy)  
Agriculture (B.Sc-Agri)  
Food Technology (B.Sc. – FT)  
Nursing (B.Sc. Nursing)

## Dr. Homi J. Bhabha Scholarship Scheme (HJBSS) –

HJBSS is a scholarship scheme by Embassy of India in Nepal that provides admission with 100% scholarships to top Indian Universities for pursuing Masters in Engineering.

## Silver Jubilee Scholarship Scheme (SJSS)

Under SJSS, admission is provided to Nepalese candidates for MBA, MCA, MA, M.Sc & Ph.D in all streams except Engineering, Agriculture, Medicine and Para-medical courses in Indian Universities and Institutions.

“

I was a summer school student at KIIT. Bhubaneswar is a lively and friendly city and I felt very safe living here. It was an eye opening experience for me which expanded my horizons and helped me grow as a person.

**JAN BORAK, CZECH REPUBLIC,  
EUROPE**

“

I was involved in a project called Mevlana Exchange Program in which I studied one semester in KIIT. It was one of the best semesters of my life. I really enjoyed the city, people, teachers and hostel that I stayed in. I highly recommend everyone to come to India and study in KIIT.

**SELENAY KUCUK  
TURKEY**

I'm smiling because I feel fulfilled at KIIT. I am blessed to be surrounded by amazing students and faculty, as well as a vibrant community of international students.

At KIIT, I achieved my dream of becoming an AI researcher, thanks to a world-class academic programme, supportive teachers, and state-of-the-art academic facilities.

My 2 years here have been a blast and I pass it unto you !

**WISDOM D'ALMEIDA**  
**TOGO**

I am pursuing my M.Tech degree in Civil Engineering. It's my pleasure to be a student at KIIT where one can find high quality of education, co-curricular activities , friendly students from different countries and peace all at one place.

**BASEL NASSOR**  
**SYRIA**
