

Showcase your Healthcare Organisation's Innovations and Early Technology Adoption at CAHOTECH 2025

"Where Technology Meets Heritage"

Applications Open from 20th July 2025

KIIT, Bhubaneswar,
Odisha, India

15th & 16th
November 2025

Theme: Technology & Impact—
Solving Challenges in Healthcare

Healthcare Organisation Innovation and Early Technology Adoption Awards

Why CAHOTECH 2025?

1. Innovation Showcase: Display your organisation's most promising innovations and early technology adoption success stories in an exclusive platform.

2. Networking Opportunities: Engage with leading innovators, healthcare professionals, and industry experts to exchange ideas and forge valuable partnerships.

3. Visibility and Recognition: Showcase your institute's forward-thinking initiatives on a global stage to earn recognition from an international jury and leading industrialists.

Why Should You Apply?

- ✓ Global recognition for your projects
- ✓ Finalists will present LIVE at CAHOTECH 2025
- ✓ Connect with healthcare leaders, med-tech startups
- ✓ Build your hospital's innovation branding.
- ✓ Learn & Benchmark with the best

Showcase your pioneering innovations and transformative success stories before a top-tier jury of distinguished CxOs, global qualityists, and industry stalwarts committed to recognising healthcare excellence that drives real-world impact.

We invite forward-thinking healthcare organisations to apply for the prestigious Healthcare Organisation Innovation & Early Technology Adoption Awards.

Award Categories:

1. Clinical Excellence

From surgical robotics and intelligent nursing support to remote patient monitoring and pharmacy operations—share how technology is redefining care delivery

2. HR Excellence

Highlight initiatives that uplift staff experience, learning, and retention through innovation.

3. Administrative/Organisational Excellence

Exhibit operational excellence, service excellence, digitization, or leadership-enabled transformation

4. Excellence in Academics/ Research

Illustrate your breakthroughs in healthcare education, academic collaboration, and data-driven research
