**Kalinga Institute of Industrial Technology,  
Bhubaneswar, Odisha, India**

## About KIIT- Empowering Minds: Nurturing Leaders

Kalinga Institute of Industrial Technology (KIIT), renowned in the education sector, has emerged as a highly sought-after academic institution in India. Established in 1997, KIIT Deemed to be University (DU) has consistently grown and is widely respected for its academic excellence, extensive community engagement, and ethos of compassion and humanitarianism. Its remarkable expansion over just 25 years has made it a unique case study in Indian education. KIIT is dedicated to providing high-quality education, ensuring stakeholder safety and well-being, fostering innovation and skill development, and nurturing a culture of growth and success. Its incredible transformation is truly a journey from Soil to Silver. All the achievements of KIIT DU have been possible because of its founder – Prof. (Dr.) Achyuta Samanta – lovingly called Samanta Sir – the epitome of principles, discipline, hard work, and selfless service. It truly is an inspiring story of a humble man steering two institutions: KIIT & Kalinga Institute of Social Sciences, to glory despite all the hardships and struggles.

## About School of Economics and Commerce

The School of Economics and Commerce is dedicated to equipping its students with both professional and life skills necessary to achieve holistic life objectives. A highly qualified faculty panel inspires and guides students toward their accomplishments. To further enrich students' career readiness, the school offers internships and field visits integrated into the curriculum for undergraduate and postgraduate students, facilitating practical learning experiences. The school exemplifies a blend of conventional teaching methods with modern technologies such as Wi-Fi enabled classrooms and projectors. Whether emphasizing collaborative learning, research, outreach activities, expert interactions, professional skills development, or relevant curriculum, every aspect of our programs at the school receives comprehensive attention.

## About IQAC

The Internal Quality Assurance Cell (IQAC) at KIIT was established to direct the institution's endeavors and initiatives towards achieving academic excellence and advancement. Designed as an integral part of the University, IQAC leverages the collective strengths of all its departments and stakeholders. Its primary objective is to cultivate a comprehensive culture of quality within the institute by consolidating institutional efforts towards this goal.

## About Viksit Bharat 2047

Viksit Bharat@2047 is a visionary initiative aimed at transforming India into a developed nation by its centenary year of independence. This ambitious blueprint focuses on achieving holistic growth through strategic advancements in technology, infrastructure, education, and healthcare. Emphasising sustainable development, the initiative aims to promote inclusive growth, reduce inequalities, and improve the quality of life for all citizens. Viksit Bharat 2047 envisions India as a global leader, leveraging its rich cultural heritage and demographic dividend to build a prosperous, innovative, and equitable society. "Viksit Bharat @2047: Voice of Youth" seeks to amplify the voices of young Indians, empowering them as catalysts for positive change and development towards India's centennial independence celebrations in 2047.

## About the Theme

The timeless Indian ideal of Vasudhaiva Kutumbakam—"The world is one family"—captures the spirit of unity, compassion, and shared destiny. As India marches towards the vision of Viksit Bharat @ 2047, this principle becomes ever more relevant. It reminds us that India's progress is deeply connected to the progress of humanity at large. In an era defined by global interdependence, whether in the economy, technology, or environment, embracing this philosophy strengthens India's role as a bridge-builder for peace, sustainability, and inclusive growth.

The theme "One Earth, One Family, One Future" aligns with the aspirations of a developed India by 2047, where national advancement goes hand in hand with global well-being. It emphasises sustainable development, green technologies, and equitable opportunities for all, ensuring that growth today safeguards the future of generations to come. By championing this vision, India reaffirms its civilizational ethos while contributing to a world order that is just, harmonious, and prosperous for all.
