

SOP of Ethical Clearance Certificate

SOP for Ethical Clearance Certificate

- a. Application for 'Ethical Clearance' needs to be made before data collection for any publication/research project/Ph.D. work.
- b. Applicant needs to send the application along with the 'Cover Letter' asking for ethical clearance certificate
- c. Application with requisite format to be addressed to the University Level Ethics Committee (ULEC) through the respective School Level Research Committee (SLRC) in both soft copy and hard copy
- d. Recommendation by SLRC with proceedings to ULEC
- e. Data safety and adherence to research ethics to be monitored by the respective SLRC
- f. ULEC issues the ethical clearance certificate after the due process of review and approved by the competent authority.
